

Amazing experience and outstanding service

Introduction

Our guide

Jhanak was amazing. He taught us many things about the mountains, the people and the country. We think that the agency was very helpful for all the logistic and the organization of the trek. The price is also good and every aspect was above our expectation. Jhanak is rally professional and he showed he controlled the situation perfectly. He was very nice and kind and generous of his time. About Trekking company: Very reliable and professional
