

Paragliding in Pokhara

Introduction

Paragliding in Pokhara can be understood as the best way to view the Annapurna Himalayan range from air and Pokhara city view with Lake Fewa. Encouragingly, Pokhara has been nominated as the fifth Best location to Paraglide in the world. Paragliding History is not very long in Nepal but now it is one of the "most do" game in Nepal. Paragliding can be a perfect alternative Adventure sport in Nepal. There are few different courses to explore Paragliding (I) **Tandem flight:** Tandem Flight is for beginners to enjoy for half an hour. (II) **Cross country Flight:** Cross Country Flight is for those who have already experience and want to do more in the sky. (III) **Para Hawking:** Para Hawking is a parasailing with trained bird in the air.
