

Paragliding in Pokhara

Introduction

Paragliding Nepal can be understood as the best way to view the Annapurna Himalayan range from air and Pokhar city view with Lake fewa. Encouragingly, Pokhara has been nominated as the fifth Best location to Paraglide in the world. Paragliding History is not very long in Nepal but now it is one of the "most do" game in Nepal. Paragliding can be a perfect alternative Adventure sport in Nepal.
