

Bhutan Jomolari Trekking

Introduction

Bhutan Jomolari trekking is the most popular trek in Bhutan. This is an opportunity to explore Bhutanese culture and Himalaya in a single visit. The trek starts at 2500 and hikes up to 5000m which offers a wide range of landscapes, fauna and flora and a spectacular view of Mount Jomolhari from Jomolhari Basecamp (Jangothang) and Mt. Jichu Drake. This is a camping adventure trek in a Bhutanese with the tented camp. Bhutan Jomolari Trekking remains close in a deep winter. You will require a good physical condition to do this trek. You are advised to bring [comfortable articles of trekking equipment](#). If you require further information regarding trekking clothing, altitude sickness and a good season to trek in Bhutan, please write us an email. We are happy to arrange Hotels and another ground handling services in Kathmandu on request. We also have our own hotel in Kathmandu (Green Eco Resort) and organizing trekking and tours all over Nepal since 2006.
